Dear Agricultural Organizations, Rural Community and Municipal Leaders in Grey County:

Many of you are well aware of our services here at Grey County Agricultural Services Centre. For those of you who are not, in the year 2000, after changes in government services to the local agricultural industry, the need for a support system for agricultural organizations and the farming community became apparent. We believe that our many farm organizations are an integral part of the fabric of the rural communities throughout Grey County which forms a valued part of our rich heritage. We are a “not for profit organization”, supported by the County of Grey, and many local agricultural groups. We are not OMAFRA, but we certainly work closely with that organization, and provide many of the services that you came to expect from an OMAFRA office.

The support from the County of Grey is truly appreciated and is expressed by the farm community on a regular basis, by the many people who utilize our services. The Grey County Agricultural Services Centre provides a strong central focus for agriculture in Grey County and the province. We coordinate and organize local, regional and provincial events and assist with communication throughout the agriculture community by providing a network where farmers, farm organizations and agribusiness can work together. Agriculture is the largest industry in the economy of Grey County. We provide a strong central focus for agriculture in Grey County and beyond.

If our team can be of any help to your organization, or to you personally, please call or email us. If we do not have the answer, we will provide an appropriate referral.

Sincerely yours,

Ray Robertson, P. Ag.
Manager,
Grey County Agricultural Services

DO YOU KNOW ABOUT OUR MEETING ROOMS?

We are very pleased to be able to offer the use of the large Boardroom (capacity of ~ 35) and small meeting room (capacity of ~ 12), at the Grey County Ag Services facility at the back of the Grey Gables Building. It is available to Grey County rural organizations free of charge. Bookings can be done by contacting our office at 519-986-3756, or drop by and see us.

We look forward to hosting your meeting or seminar.

Grey Soil & Crop Improvement Association

P.O. Box 463, Markdale, Ontario. NOC 1H0

Phone: 519-986-3756

Grey County Soil & Crop Improvement Association is pleased to support the initiative of compiling a “Rural Guide” for Grey County.

The Grey County Soil & Crop Improvement Association is a grass - roots driven organization that is an active part of the Ontario Soil & Crop Improvement Association. With a “Mission Statement, “To communicate and facilitate responsible economic management of soil, water, air and crops”, Soil & Crop plays a vital role in the agricultural sector both here in Grey County and across Ontario.

The Strategic Directions for Soil & Crop are:

1. Producer Education
2. Development and Delivery of Stewardship Programs
3. Local Association Development
4. Addressing Consumer Concerns on Agricultural Environmental Issues

For more information on how you can become more involved, please contact a Soil & Crop Director or one of the executive members below.

Ray Robertson,
Secretary
519-986-3756

Keith Reid,
President
519-371-0858

Grey County Ag Services gratefully acknowledges the support of OMAFRA Elora Resource Centre, and the Grey County Soil and Crop Improvement Association in the printing and production of the 2011 Grey County Rural Guide.
