Gayle Watson and Doug Price, *Stall Games, Playing Safely with Your Horse*:

Teach your horse to safely accept their food: hay, grain or treats; from the other side of your stall door. Translate manners with food into respecting your space at all times. Explore target training; getting your horse to touch targets with their nose and using this to teach head down, lead line handling and winter games in the barn. Build a responsive, feather light horse with more play, less work. This session includes pictures, videos and activities

Angie Motowylo, *Chuck Wagon Racing 101*:

Angie will teach the kids all about chuck wagon racing.
